The Best of the Season to All of our Friends!

Harvest is over, the grapes are crushed and now in tank fermenting - which is a bit like our seasonal spirit - now fermenting!

This is warming up to be a lovely holiday season, with no sign of snow yet here in Niagara. Hey - we might be picking our icewine grapes in February this year!

Taste the Season was very successful - we enjoyed four consecutive weekends of good weather, great traffic to the winery and a taste treat that was acknowledged by the media.

From the **Ontario Wine Review**:

The Best Pairings ...

Taste the Season is all about the wine and food pairing, some wineries brought out some great wines to showcase, others had wonderful food to pair them with, but the winners here were the wineries who's pairing was more than the sum of its parts:

The Top 3 Pairings Not to Miss ...

Palatine Hills Estate Winery took two seemingly incongruous things and made them work, pairing a 2006 Cabernet Sauvignon Icewine with either a pork or veggie spring roll (it was your choice) topped with plum sauce. Not sure how this one worked together, or who in the organization came up with the idea, but together these two worked wonderfully together; the wine made the pork pop and the veggie zing – proves that thinking outside the box pays off.
