

**The Heritage Trail Committee has teamed up with Palatine Hills Estate Winery to raise funds to support the Rehabilitation of the Upper Canada Heritage Trail. With every dollar raised by the purchase of wine, 25% (before HST) will go directly to the Heritage Trail Committee efforts.**

For the past 3 years the Heritage Trail Committee, which is a committee of the town of Niagara-on-the-Lake, has been working to restore an old rail line that runs from St. Davids into NOTL and turn it into a multi-use trail for cyclists, runners, walkers and the like. The old rail line has a deep history in Niagara. With help, it can be revived and provide a route for active transportation and a safe passage for bikes, hikers and green/fitness initiatives.
